Dear guests, let us welcome you to the restaurant of our hotel Perla Jizery ***.

Our cosy and stylish restaurant with a fireplace with the charm of flaming fire and an aquarium with our pets will try to offer you the best of Czech and international cuisine. We believe it will satisfy even the most demanding gourmets and that you will savour every bite until you are full. On our food and drink menu, you will find a selection of foods and drinks from which everyone can choose, including children. Of course there is also the possibility of vegetarian meals or special diets. To drink, we offer a large selection of non-alcoholic and alcoholic drinks, Pilsner 12° and for connoisseurs, we have prepared a wine cellar with a selection of wines that will exceed your expectations.

Our hotel, according to the regulation of the European Parliament No. 2000/13 on the provision of food information to consumers and information on allergens contained therein, are available from the staff.

The restaurant with its capacity of 60 seats and another 50 seats in the lounge is suitable for organizing social events, weddings, parties, corporate training and seminars. The entire building has WIFI. If the weather is nice, you can always take advantage of our two summer terraces. While your children play on the playground, you can unwind and enjoy the views of the beautiful surroundings.

We wish you a pleasant choice and, of course, bon appétit.
